Eco-Adventures including vineyard tours and wine tastings.

Discover world class cuisine in one of our unique venues
complimented with award winning Burning Kiln wines.

1/2 day ADVENTURES

Zipline & Canopy Tour Adventure

Our FUN & KNOWLEDGABLE guides will glide with you through the forest on a world class 2 1/2 hour canopy tour adventure that includes 8 zip lines, 2 suspension bridges and a 40" rappel. Our professional guiding staff will help you travel high above the forest floor and take in the views overlooking Long Point Bay and the UNESCO designated Long Point World Biosphere Reserve below. Historical & ecological narratives are included. The views are spectacular!

Big Creek Kayak Adventures

This great paddling adventure is designed for all fitness and activity levels. This class one paddle is leisurely enough for newcomers and technical enough to keep everyone smiling as they paddle through the Long Point World Biosphere Reserve. Full of wildlife and amphibians, this 10 meter wide kayak adventure allows groups to forget about where they are in the province and immerse themselves in the natural surrounding. Our PROFESSIONAL guides will accompany each group to educate on the flora and fauna specific to the area.

Axe Throwing Experience

Unleash the inner lumberjack in your team with our thrilling axe throwing experience, perfect for corporate retreats! Challenge your group's skills and camaraderie in this exciting adventure. Our expert axe throwers will guide you through an array of engaging games and skill-building activities. Are you up for the challenge? Discover the excitement of axe throwing as a team-building highlight for your next corporate retreat!

Custom Team Building Program

Our custom two-hour team-building program is designed to meet your team where they're at—and take them further. Choose from a variety of engaging activities that target key elements of high-performing teams, including communication, delegation, problem-solving, leadership, and trust.

Led by our dynamic and experienced facilitators, each session is tailored to your goals and group dynamics, whether you're looking to break the ice, boost collaboration, or strengthen cross-functional teamwork. Expect plenty of laughter, hands-on challenges, and real takeaways your team can bring back to the workplace.

Apiary Tours

Embark on a team-building journey with our captivating apiary tour, designed for relaxation, historical exploration, and team cohesion. Delve into the serene world of beekeeping as our expert apiarist guides your team through the enchanting intricacies of a honeybee hive. Gain a deeper understanding of the vital pollination role each bee plays in sustaining their "sweet" habits and supporting our food production. This immersive experience not only offers a unique peek into the life of a beekeeper, but also provides an excellent opportunity for your team to connect with nature. Engage in this enriching adventure, fostering teamwork and appreciation for the intricate relationships that sustain our environment.

Joro Well Cold Plunge & Sauna

Indulge your team in a revitalizing cold plunge and sauna experience, specially curated for corporate retreats! Our sessions offer a seamless flow, allowing participants to chart their own course through the spa's rejuvenating offerings. Whether you're a seasoned enthusiast or a newcomer seeking guidance, our expert facilitator, Drew, is on hand to lead you through a bespoke wellness journey. Elevate your corporate retreat with this unique wellness experience, designed for relaxation, rejuvenation, and team bonding.

Evening Adventures & EXPERIENCES

The fun doesn't end when the sun goes down

Night Zipline Adventure Tours

Float through the night high above the forest floor, while enjoying the unforgettable sounds in the darkness. By harnessing the sun's energy we have allowed just enough light to keep this night tour safe and mysterious for the nocturnal thrill seeker in all of us. From the unmistakable sound of the yipping coyote to the call of the elusive owl, your guides will share in an unforgettable experience. Tour Includes: 8 zip lines, 2 suspension bridges and a 40' rappel.

Observatory Stargazing Tours

Located in one of the darkest points in Southern Ontario, the "Long Point Observatory" is Canada's newest public astronomical observatory. Our state-of-the-art telescope is identical to those used for public viewing at the largest mountain-top research observatories in North America. See objects magnified 10,000 times and observe objects otherwise barely seen by the naked eye. Pheromonal indoor presentation will be delivered when mother nature does not permit viewing.

Campfire Social

Relax at night with your team at our campfire social event. Enjoy your favourite beverage, roast marshmallows and make smores, and just unwind after a busy day. Of course no campfire is complete without the sounds of an acoustic guitar. Let us organize your entertainment for the night and make your campfire social a night to remember! Our staff will start and maintain a roaring fire for you; all you have to do is show up with a drink in your hand and a smile on your face!

Food & Beverage EXPERIENCES

Our onsite restaurant overlooks the Turkey Point Marsh and provides dining for guests with scenic views from our multiple patios, a bar and comforting local flavours. The Marshview Patio proudly supports & promotes local agricultural goods, including produce, protein and grains. Our Executive Chef Shelli Bosgoed has created a variety of catering and a la carte options to keep your team satisfied for breakfast, lunch and dinner. Coffee, tea and other refreshments are available to complete your meeting experience. NEW THIS SEASON - indoor seating space for large groups, a private corporate patio and expanded menu options.

burning kiln winery

Hometown Brew Co is a small, family run craft brewery located right on the Long Point Eco-Adventures property. Their beer philosophy is simple: Work hard to create shareable, uniquely refreshing brews that find a balance between drink-ability and flavour. Check them out at the Seacan Beer Deck on the coast of Lake Erie to enjoy a pint or team tasting! All season long they have fun events, live music & more! COMING SOON - BRAND NEW BREWERY FOR THE 2024 SEASON!

Here's your invitation to experience Burning Kiln Winery, only a short walk from our accommodations. Here, it is not just about wine; it's an invitation to immerse your team in a multifaceted experience that combines group connection, behind-the-scenes insights, a change of scenery, cultural celebration, and a nod to agricultural heritage. It sets the stage for a memorable and enriching outing that appeals to both wine enthusiasts and those looking for a unique and immersive experience in Norfolk County. Add a wine tasting or site tour to your retreat itinerary!

'Back Kitchen' is located on the Burning Kiln property, and features a variety of flavours with a local twist. During the heyday of tobacco production in the mid-to-late-twentieth century, many farmhouses contained what was often referred to as the "back kitchen" or "harvest kitchen". This space was outfitted to accommodate the cooking, feeding and cleaning up for the hungry workers. Today, the Back Kitchen is a unique culinary space that plays off of Norfolk's tobacco heritage.

OUTDOOR EVENT SPACE

Beautiful location! Our team was greeted by friendly and helpful staff right away. Our suite was lovely, perfect for someone (like me) who appreciates and enjoys nature but desperately loves sleeping in a bed.

BOBCAT TEAM MEMBER

Our company event at Long Point Eco-Adventures was a 10 out of 10. Your team did a great job making our employees feel safe yet challenged. It was a “bucket-list event” for many of our people and an outstanding team-building experience. We will be back soon to do it again for sure!
